SHRI S. MALLIKARJUNAIAH (Tumkur): In Karnataka about 20,000 daily wage employees are in the streets. They were all employed by the PWD Department, Horticulture Department and the Forest Department on daily wage basis. The Supreme Court has passed an order that they shall have to be regularised and the salary as per their qualifications shall have to be given. But the Karnataka Government is paying only Rs. 840 to the BE graduates and also post graduates. Protesting this they are in the streets. Now they are demonstrating in a *Rasta Roko* agitation, with the result it involves law and order situation. Therefore I request the Government of Karnataka to make all efforts to see that the problems of these daily wage earners is solved.

Mr. Speaker, Sir, the drought situation in Bihar needs to be discussed next week. Insufficient rains in Champaran district resulted in a severe drought situation. Paddy could not be sowed. Due to scarcity of water, paddy crop is drying up. Proper irrigation facilities from Gandak canal are not available. The performance of small scale irrigation department is unsatisfactory Due to short supply of electricity a number of pump sets are lying unutilized. The private pumping sets are not functioning due to non-availability of diesel and consequently irrigation capacity is not being utilised. The said condition is prevailing at a number of districts in North Bihar. This issue should necessarily be discussed because it concerns the six crore population residing in Bihar.

SHRI SRIBALLAV PANIGRAHI (Deogarh): Mr. Speaker, Sir, I beg to submit a matter of public importance to be included in the next week's business.

It is a matter of concern that the drought situation is fast developing in various parts of the country including UP, Bihar and Orissa due to the late and non-arrival of monsoon and also its erratic behaviour from the beginning. Added to it, heavy floods are causing havoc in some other States It is, therefore, essential that the Government should take necessary measures right from now onwards so as to effectively meet the situation Thus, a discussion on this subject in this House in the coming week is called for.

SHRI NIRMAL KANTI CHATTERJEE (Dum Dum): Sir, my request is that the general discussion on the Budget be deferred to the week following the next week and not in the coming week. If the Budget will be presented on Wednesday, then there will be no time for our preparation to start the discussion in that week So, my only request and suggestion is that it should be deferred till the week following the next week.

SHRI GHULAM NABI AZAD. As the hon Members have suggested here, I have started the practice of writing to the concerned Mmisters on whatever hon. Members mention here. I have started this practice since last week and I have also directed my office that a copy of the points should be sent to the concerned Ministers. Thus, whatever points are raised here, are forwarded to the concerned Ministers.

MR. SPEAKER: Now, matters under Rule 377. Shri K. Pradhani.
